

## **Mid-States Finals Rodeo Rough Stock selection.**

All rough stock selected for the finals must have been drawn for competition in an individual event a minimum of 2 times at a first approved or 3 times @ a co-approved MSRA rodeo during the 2022 season.

Any stock contractor that has had 3 first approved MSRA rodeo that desires to provide livestock to the finals must submit a list of nominations to the MSRA Event director no later than September 6<sup>th</sup>. After the list has been provided to each riding event director, the event director may select two riders from the standings to assist in the selection of livestock for the MSFR. The event director shall have the final decision.

Please send your nominations to the Event Director listed below.
